

HOLDS THE FIRE.

It is a great satisfaction to own a heating stove that will hold the fire all night with any kind of fuel. The genuine Round Oak will do it and keep on doing it as long as you run it. There are no seams or joints to open after a winter's use. It is tight and no amount of use can affect its fire-holding qualities. It will pay you to see it. The genuine has the name on the leg and door.

We are Also Back in the Old Stand with a complete line of Buggies, Surreys, Road Wagons, Hacks and Mitchell Wagons, and Buggy Harness and IMPLEMENTS.

Also Hardware, Stoves and Ranges. The largest and best assortment of new heating stoves in the town at the lowest prices. Look around, then get our prices and be convinced.

Watch this space each week.

A Night Alarm

Worse than an alarm of fire at night is the brassy cough of croup, which sounds like the children's death knell and it means death unless something is done quickly. Foley's Honey and Tar never fails to give instant relief and quickly cures the worst forms of croup. Mrs. P. L. Cordier of Mannington, Ky., writes: "My three year old girl had a severe case of croup; the doctor said she could not live. I got a bottle of Foley's Honey and Tar, the first dose gave quick relief and saved her life." Refuse substitutes. Sold by A. R. Kane.
